FOOTBALL LEAGUE — DIVISION 4

WIGAN ATHLETIC

Saturday, 15th May, 1982

Kick-off 3.00 p.m.

Official
Programme 30p

Len Walker

Today sees the last League match of the season with the visit of one of the leading teams in the League — Wigan Athletic — to the

Recreation Ground. Although they are already promoted to Division Three, they will, no doubt, be all out to win the game as they need the points to have any chance of winning the Fourth Division Championship, and pip Sheffield United for the top spot.

Also promoted with the above two side are Bradford City and A.F.C. Bournemouth.

Last week at Torquay saw the debut of Colin Filder for the first team, and although we lost the game by 2-1, Colin came through the game with credit.

A decision was made in recent weeks to disband the Youth and Reserve teams at the Club and to concentrate strictly on one team. This decision was purely economic, and (as you will have seen) many other clubs in the Football League are being forced into similar positions, and have taken steps to ensure survival — some are not sure of even doing that. It was a decision taken with regret — and those behind the scenes who have been involved with the running of the teams concerned feel sadly about it. I would like to take the opportunity of thanking Jim Woolgar, our Youth Team Manager, for the time and work he has put into the running of these teams, and also thank his loyal band of helpers — Dave Gordon, Don Brennan and Norman Penny — who have also devoted many hours to the running of these teams.

Thanks also to the Ground Staff, who have again kept the playing surface in very good order — one of whom, Len King, will be retiring before next season.

It is also the last game for our mascot, Mark Wiseman, who has been involved with the Club for a number of years.

During the summer we have the World Cup Finals in Spain — with three of the home countries involved. I, of course, would like to see England triumph, but wish all three well in the competition, and I hope we do not have to withdraw due to the political situation concerning the Falkland Islands.

Do not forget Monday night — with the visit of West Ham United for Malcolm Crosby's Testimonial Match.

And finally — *Thank You*, our supporters, who have come throughout the season to support the Club — and let's hope you have something to shout about today — and next season!

LEN WALKER.

With the Reserves

On Thursday, 29th April, our Youth side travelled to Waterlooville to meet Gosport Borough in the Final of the Hampshire Youth League Cup. Our lads took some time getting to grips with the offside tactics employed by our opponents but we came closest to scoring during a stop-go first half.

We reorganised our thinking during the interval and came out to have a go at Gosport in the second half. This we did, and played some excellent football, never giving the Borough a chance to get anything going. Jerry Jones came close twice when put through, but should have scored both times. Twenty minutes from the end we scored what looked to be a perfectly good goal when Andy Groves got the better of a defender to head over the goalkeeper, but the linesman had other ideas and flagged for Groves being offside – a strange decision. We really took Gosport apart now and their goalkeeper pulled off a string of fine saves to deny the young Shots. Five minutes from the end we were the victims of another weird decision by the officials when a Gosport player who must have been three yards offside went on to beat our goalkeeper for the winner. *Team:* Holmes, Hodge, Elcombe, Hawtin, Logan, Fielder, May, Whelan, Jones, Peters, Groves. *Subs:* Pantony, Gibbons, Skilton, Gomez.

On Wednesday, 5th May, our Junior team travelled to Addlestone to play Anglo Saxon in the final of the West Surrey Boys League Cup. Our side, whose average age was two years younger than our opponents, played some excellent football at times, but the extra physical strength of Anglo Saxon paid off in the end in a 6-2 win.

We found ourselves 3-0 down at the interval, but came out and took the game to our opponents early in the second half. Stephen Cheeseman scored a fine goal when put through and five minutes later we were unlucky not to be awarded a penalty when a defender controlled the ball with his hand. We went further behind before Cheeseman notched his second – a carbon copy of the first. A couple of mistakes let our opponents in for their final two goals, but our lads had played their part in a fine game. *Team:* Tingle, Daniels, Dance, Norris, Ryan, Garner, Taylor, Brogan, Skilton, Cheeseman, Regan. *Subs:* Thorn, Gibbons, Brown.

JIM WOOLGAR, Youth Team Manager.

Introducing...

WIGAN ATHLETIC

In welcoming Wigan Athletic to the Recreation Ground for the second time this season we must add our congratulations to them on attaining promotion to the Third Division.

Wigan have maintained the tradition of clubs newly elected to the Football League making progress in their first few seasons. They clinched their achievement last Saturday with a 3-1 win over Mansfield Town in their fourth campaign.

Since they last appeared here, in a League Cup second round tie in October, they have added one or two new faces. In goal Roy Tunks arrived in November to establish himself as the number one choice. Formerly with Preston North End and Rotherham United, he has made well over 400 League appearances in his career which includes loan spells to York, Ipswich and Newcastle.

In January £60,000 capture from Everton, Eamon O'Keefe, arrived to boost the club's promotion hopes. He has responded well in terms of goals, and his haul includes two hat-tricks—one against Mansfield last weekend.

O'Keefe made a full international appearance for the Republic of Ireland, but had previously appeared for England at non-League representative level and was subsequently banned from further honours! A much-travelled forward, he has played for Stalybridge Celtic, Plymouth Argyle, Hyde United, in Saudi Arabia and for Mossley.

During the match with Mansfield, player-manager Larry Lloyd (who has done an excellent job of lifting them out of the Fourth Division) had to leave the field injured. His replacement was Brian Taylor, on loan from Preston, but another versatile performer with Coventry, Walsall and Plymouth previously.

A few wise heads have prevailed, not the least of them centre-forward Les Bradd, signed from Stockport County, but who began with Rotherham United and later established a record of goals with Notts County, notching 125 in 398 outings in the League.

Right-back John McMahon, acquired in the close season from Crewe, has also turned out for Preston and on loan to both Southend and Chesterfield. His partner recently has been David Glenn, a converted winger and Wigan's first apprentice after they came into the League. Bolstering the middle of the rearguard has been Colin Methven, a Scot who made his name with East Fife and cost a £30,000 fee in October 1979.

The midfield trio against Mansfield were Graham Barrow (a close season capture from Altrincham), Alex Cribley (a former Liverpool reserve regular), and Mark Wignall who was introduced into the senior side towards the end of last season.

Wigan's leading scorer overall in their League service has been Peter Houghton, who reached his 100th League outing at the beginning of this term.

Others who have figured in the side in recent weeks have included striker Mike Quinn, who came up through the club's youth and reserve sides as a striker, and former Torquay and Blackpool utility player Jimmy Weston.

Jeff Wright was a Wigan player in their non-League days and has figured again this season in midfield, as has Clive Evans, snapped up in the close season from Tranmere Rovers, and winger Kevin Sheldon, who arrived around the same time from Stoke City.

Lloyd in his first full season has brought a wealth of experience on the field gained at Bristol Rovers, Liverpool, Coventry, Nottingham Forest and for England. But he still described last Saturday as 'the best in his life.'

PROMOTIONS NEWS!!!

The Winner of the Shots Bingo Star Prize Draw of a Talbot Samba Car was Mrs. K. I. Pullen of 17 Warren Road, Farncombe, near Godalming, Surrey. Mrs. Pullen picked up her car last Friday and kindly donated a Match Ball for next season.

The second prizes of £100 in cash were won by Mrs. A. M. Thorne of Chobham and Mrs. J. Sharpe of Farnborough.

The other cash prizes, together with all other winners, are listed on our results sheet.

As this is the last League game of the season, we would like to remind everybody that our lottery tickets are still on sale throughout the summer months via our Agents and part-time Agents, as the Club still requires your support as much during the summer months as during the winter. We hope, therefore, that you will continue to buy your lotter tickets — and may we wish you a lot of luck in winning some of the top prizes.

If anybody is interested in becoming a part-time Agent, would you please ring Aldershot 311992 or call in at the Shop at 239 High Street, Aldershot, where you will be given a very warm welcome. To maintain our position as the largest lottery in the area we do still require some further part-time Agents.

May we wish you all a very happy summer, and look forward to meeting you again at the beginning of next season.

GEOFF LASCELLES, Sales Manager.

DID YOU KNOW?

- ...that Ken Barnes (father of Peter Barnes (Leeds)) scored 3 penalties for Manchester City against Everton on 7th December, 1957?
- ...that the record away win in the 4th Division took place on 8th September, 1973, when Rotherham beat Crewe Alexandra 8-1.
- ...although Kevin Keegan was voted 'European Footballer of the Year' in 1978 and 1979, he did not receive one vote in 1980.
- ...that Berwick Rangers are the only Scottish League club with a home ground in England.
- ...that England had their worst run in International history in season 1980-81: they went six months without a win, losing four times in all.
- ...in the Final stages of the World Cup, the U.S.A. have scored as many goals as Scotland — 12 to be exact.
